

Tourism operators, visitor information outlets and event organisers can order copies of the Murray River, Lakes and Coorong Visitor Guide at no cost through the South Australian Tourism Commission's contracted distributor winc.

Instructions:

- New users will need to email Samantha Gill from winc at samantha.gill@winc.com.au and request a Username and Password to order SA Tourism Commission brochures. You will need to give your business name and sector (e.g. accommodation, attraction, winery, tour operator, event) so you receive the correct login details.
- Once you have received the above, visit the [winc website](#)
- Type in your Username and Password to enter the site.
- Search for Murray River, Lakes and Coorong and the guide will come up.
- Place your order - note there are 120 copies per box and you are ordering the number of brochures you want, not the number of boxes.
- If you are having trouble placing your order or have any queries, please contact the winc. customer support team on 13 26 44 or call the account manager Samantha Gill on (08) 8243 8042.

For first-time orders, please start with one box to get a feel for how quickly you will go through them.

For one-off and bulk orders of Visitor Guides (e.g. for a conference), please email your request to MRLCTA Tourism Development Manager at tourism@rdamr.com.au
