**Welcome to Murray River,

The Murray River

On the lower reaches you'll find the Murray at its most sedate and serene. Don't miss:

- Big Bend, the river's most famous sweep of red cliffs (join a Big Bend By Night tour to see it in a whole new light...)
- Taking the helm of your very own houseboat
- A tour of Ngaut Ngaut – a fascinating window into Aboriginal culture shared by welcoming Ngarrindjeri and Nganguraku custodians
- Being transported to a bygone era on board a majestic paddle wheeler
- Staying in a river town: they're rich with character and history, and perfect for a riverside lunch
- Murray Bridge – home to The Bunyip, the 1876 Round House and Captain's House Museum
- A visit to Monarto Safari Park and an exhilarating 'hot lap' at The Bend
- A night-time adventure in the International Dark Sky Reserve

The Lakes & Langhorne Creek

Discover lakes so big they were mistaken for oceans, historic villages and one of the state's most exciting wine regions. Don't miss:

- Langhorne Creek's nine cellar doors – idyllic places for a long, lazy lunch and an insight into the region's awesome flavours
- The 1869 Raukkan Church, your key to the amazing story of Indigenous inventor David Unaipon; both Unaipon and church were featured on a \$50 note
- Point Malcolm, home to the only inland lighthouse in the Southern Hemisphere
- The Steam Exchange Brewery overlooking Goolwa Wharf, one of the state's most perfectly placed breweries
- Coorong mullet – a local delicacy featured on many local café menus

- The mallee fowl! This rare and elusive bird is a big 'tick' for twitchers

- The Mallee Tourist and Heritage Centre has huge displays including working printing presses, the Gum Family collection of restored stationary engines and tractors and a history of grain development

The Coorong

It's a wild wonderland of dunes and sea spray, birdlife and beaches. Don't miss:

- The lovely (and little visited) town of Meningie – home to cafés, one of the largest country museums you've ever encountered and the unlikely story of a bushranger who rode around on an ostrich...
- The self-drive loop out of Meningie – great for a taste of the Coorong
- Canoeing the Coorong!
- Going the distance in a 4WD on one of Australia's greatest beach drives – if you're properly equipped

THRILL & CHILL, SEEK & SAVOUR

Base yourself at Taillem Bend

Discover the town that brings together a world-class racing track, a sublime stretch of river and a pioneering past. Check into the adults-only Waterfront Park for a premium cabin with stunning river views, then see what floats your boat. Kick back, crack a beer and and wet a line on the riverbank – or hop into a Mustang for a pulse-racing hot lap of the Shell-V Power Motorsport Race Track! Within 30 minutes you can be viewing lions, cheetahs and elephants at Monarto – or you could be raising a delicious glass of red in Langhorne Creek . History? The charming town of Taillem has heritage from the age of paddle-steamers and steam engines; and be sure to explore Old Taillem Town Pioneer Village, a remarkable collection and a true labour of love.

The Bend Motorsport Park, Taillem Bend

Monarto Safari Park, Monarto

Overnight in Monarto Safari Park

Monarto's newest attraction is a 78-room safari lodge. After the park gates have closed, you'll have the expansive plains to yourself – a chance to see the famous residents, including the lions, cheetahs and elephants, in a whole new light. Get ready for the full safari experience, complete with a sunset drive and a 'sundowner' drink!

Lake Breeze Wines, Langhorne Creek

Languish in a Langhorne Creek winery

Raise a glass to the success of Langhorne Creek, now regarded as one of the country's most exciting wine producers! Relish the landscape, the peace and of course the vintages: 'the Creek' is known for robust and expressive Shiraz and Cab Sav, as well as elegant white wines. Get a taste for the region at nine cellar doors offering tutored tastings, long lunches and picnics on the lawn.

Unforgettable Houseboats, Mannum

Holiday on a houseboat

Hire a humble floating shack or equip yourself with a waterborne palace with a hot tub on deck – no boating licence required! You'll spend your days exploring Australia's most magnificent waterway, keeping an eye out for the perfect place to berth. Perhaps alongside a waterfront pub? Maybe beneath a stretch of red-cliff awesomeness? Or how about on a quiet bend of willows – just in time for some sunset fishing...

Spirit of the Coorong, Coorong National Park

Discover the Coorong

Few appreciate just how otherworldly the Coorong is – and even fewer get to experience the soaring white dunes, Aboriginal heritage and extraordinary natural hinterland of saline lagoons. Three ways to visit: enter the lagoons via the sealed Princess Highway; take a suitably equipped 4WD onto the beach (experience necessary!); or join a small boat cruise with one of two operators departing daily from beautiful Goolwa Wharf.

EXPERIENCE LIFE AS IT WAS...

The Captain's Cottage, built by Captain Adam Johnstone in 1890 for his wife and their nine children, is a portal to the past, right here in Murray Bridge!

This historic home offers visitors a unique glimpse into the daily life of the turn of the century, complete with period furnishings that celebrate the era's simplicity and charm.

FLOAT & BOAT, PADDLE & PLAY

Canoe the Coorong, Coorong

Paddle it

Join **Canoe the Coorong** (Goolwa) or **Freedom Boat Hire** (Murray Bridge) on a guided tour of the Coorong – you'll get VIP access into pristine parts of the Coorong only accessible by kayak. Paddling your own canoe? Take to the Lower Murray Canoe Trail around Taillem Bend and Wellington to get deeper into the river ecosystem; the Mannum Canoe Trail has a special history focus and will have you staring up at the fabulous *PS Marion*. Paddleboarders love the shallow Lower Lakes; on blowy days, they're popular with windsurfers and kitesurfers, too.

Cruise it

You can't miss the **PS Murray Princess**, the majestic, three-deck, 67-metre paddlewheeler that delights everyone who sees her giant wheel and smokestacks. She plies the river on three-, four- and seven-night river cruises, from Murray Bridge through Mannum, Big Bend, Swan Reach and beyond. The Princess kitchen cooks up some of the best meals on the Murray, so prepare for daily feasts.

Equally loved is the award-winning **Proud Mary**, an SA Tourism Hall of Fame inductee. This beautifully built vessel was designed to evoke the paddlesteamers that worked the river in the 1850s; it offers two- and five-night cruises, as well as a lunch cruise every Monday from the Mannum riverfront.

Both cruises include onshore excursions, onboard entertainment and all meals.

If you're looking for a day trip, try the historic **PS Marion** or **PW Mayflower** (both in Mannum), the **Captain Proud** (Murray Bridge) or the **PS Oscar W** (Goolwa).

Spirit of the Coorong (out of Goolwa) and **Coorong Wildside Tours** (out of Meningie) are local legends, celebrated for their magical tours of the Coorong wilds. Their day tours are must-dos – windows into a unique ecology, an important cultural landscape and a place of breathtaking beauty. Get ready also to catch and prepare some local seafood!

Spirit of the Coorong Cruises also offers a series of tours lasting up to seven nights, with options to cruise the Murray Mouth and Lower Lakes.

Walk & bike it

There are fabulous walking and riding trails following the miraculous waterways of the Murray River, Lower Lakes and Coorong. Discover more than 30 walking and riding trails which pass through four national and conservation parks, and link more than 18 towns.

You'll encounter significant Aboriginal sites, incredible wildlife, some of the world's darkest skies and the only inland lighthouse in the Southern Hemisphere. Check with local visitor information centres for details, maps and information.

Also, check out the 325-kilometre Lavender Federation Trail, a favourite with bushwalkers. It starts in Murray Bridge and winds through diverse countryside, including Kinchina Conservation Park just outside Murray Bridge.

Live it

Get the whole crew moored on the Murray for a taste of river living.

Grab your friends and family to enjoy the scenery from the comfort of a top-deck lounge or even a bubbling on-board Jacuzzi. Set up on shore for a campfire, or bring the speedboat for some on-water action.

Start planning with the **SA Houseboat Hirers Association** or **Unforgettable Houseboats**. The good news? You only need a driver's licence to hire – and skipper – your vessel of choice.

RIVER BLISS

Relax and unwind on a scenic **Four Knots Murray River Cruise**. Enjoy breathtaking views, birdlife and nature on short, cosy, guided trips aboard the MV Jester. A truly memorable experience!

SPACE & NATURE, ADVENTURE & ADRENALINE

Monarto Safari Park, Monarto

Discover Monarto

Monarto Safari Park is an open-range sanctuary measuring a staggering 15 square kilometres – nearly four times the size of the Adelaide CBD. It's home to a very cool, very important collection of animals including lions, cheetahs, rhinos, chimpanzees and (the newest members of the Monarto family) Asian elephants. Tour the park on a safari bus, enjoy free keeper talks and enjoy close-up encounters like the Lions 360 Experience which will have you within a whisker of the mighty cats. The new **Safari Resort** opens in mid-2025 – a chance to do exclusive sunset safaris and fall asleep listening to the call of the wild!

Discover Ngaut Ngaut

Come and explore the picturesque landscape of the Ngaut Ngaut Conservation Park and discover a unique insight into the traditional landowners, the Nganguraku people. This culturally and historically significant conservation park is only accessed through a guided tour with an experienced guide from the Mannum Aboriginal Community Association. The guided tours aim to promote cross-cultural understanding and school groups are welcome. In recognition of the cultural significance of this park we request that you contact the Mannum Aboriginal Community Association prior to planning a visit to the park.

Discover the Coorong

The Coorong is a spectacular and complex piece of coastal and wetland wilderness that runs 180 kilometres south from the mouth of the River Murray to Kingston SE.

The name 'Coorong' is derived from an Aboriginal word 'karangk' meaning narrow neck and is the traditional lands of the Ngarrindjeri people. The Coorong National Park comprises 140 kilometres of quintessential Coorong country – wild ocean, stunning dunes and a long line of saline lagoons.

Ideal for birdwatching and photography, the lagoons are an important breeding area for the Australian pelican as well as more than 230 migratory birds that arrive annually.

on Ngaut Ngaut.

Ngaut Ngaut Conservation Park, Nildottie

The park can be explored by walking trails, by paddling waterways, or by 4WDing along designated tracks and the beach.

There are 20 scenic campgrounds along the length of the Coorong; none are manned, a few are suitable for 2WD vehicles and caravans (access is via unsealed roads off the B1 highway), others are accessible only by 4WD. Bookings are required and fees must be paid before entry.

The northern gateway to the Coorong and Limestone Coast is Meningie, which was established as a staging post serviced by paddle steamers. Today the town offers fishing, boating, skiing, walking trails and fabulous sunsets. Meningie Hill Lookout provides views over Lake Albert and the surrounding pastoral properties; there's also a wetland bird sanctuary loved by twitchers. You can do an easy loop south out of Meningie into the Coorong – head out on Narrung Road toward the unsealed but well-graded Seven Mile Road.

Discover the birdlife

Twitchers love the region for its incredible variety of birdlife and conservation areas. Jack's Point Pelican Observatory near Salt Creek on the Coorong is arguably the most celebrated, but rare species can be found across the region. The almost extinct Mallee Emu Wren was released back into Ngarkat Conservation Park in 2018. The Lower Murray backwaters and lagoons are home to a variety of ducks, herons and bitterns – all easily observed at Mannum (Hermann Gass Reserve), Taillem Bend

(the volunteer-run Pangarinda Botanic Garden) and Murray Bridge (Riverglades and Swanport wetlands).

Discover The Bend

The **Shell-V Motorsport Park** – more commonly known as **The Bend** – is one of Australia's premier motor racing venues. It offers a whole range of experiences: call in for a cup of coffee among the museum's supercars; do a hot lap in Mustang or V8 Holden; or spend a week during any of the big-ticket motor racing events, dining in the restaurant and staying at the hotel.

If you've always wanted to know what your car can really do, you can take it out onto the 3.41-kilometre racing circuit for as little as \$150.

Discover the Dark Sky Reserve

River Murray International Dark Sky Reserve is a 3200-square-kilometre area enjoying some of Earth's darkest skies. The reserve is the first of its kind in Australia and one of only 23 in the world. Darkness measures 21.97 out of 22 at the reserve's core location, drawing photographers and astronomers from all over the world in search of the best views of the Milky Way.

To tour the Dark Sky join Dark Sky Experiences on the Gold Stars Sunset Dinner and they will explain the fabric of the society and why it's so dark here.

Cross the third longest navigable river in the world on a ferry, marvel at the tallest

Murray River ancient cliffs and take in the sights from incredible vantage points.

Or if you're limited on time, the Astronomy Only session is for you; join Big Bend at night, jump onboard comfortable, bush-themed, open-top carts and be taken to a countryside ample with space. Bookings are essential.

Keen stargazers can set up their telescopes on the Reserve's specially made concrete pads at several astro hotspots (see themurrayriver.com). But you don't need fancy equipment: a regular pair of binoculars will give you an eyeful of stars; and looking through the bottom of a wine glass while relaxing beside a campfire will also do the trick...

Camping

Camping and RVs

Load up the tent and get set for an adventure! Start at the freshwater end of the river, camping along the banks of Swan Reach or Walker Flat, before following the Mighty Murray Way towards campsites at Mannum and Murray Bridge. From here, explore the Lower Lakes and Coorong for a saltier experience and feel a million miles away from civilisation.

Plenty of towns offer free or low-cost camping at reserves with basic facilities. For some seriously good river and lakeside camping, we suggest the Haythorpe and Bolto Reserve in Mannum, Tenbury Hunter Reserve in Swan Reach, Lake Albert Wongulla Campground, and Narrung Jetty Reserve.

If you're feeling the call of the wild, try campsites in the Coorong National Park, Salt Creek and Ngarkat Conservation Park; all are best explored with a 4WD though many campsites are accessible by 2WD. (Check if you require permits bought online in advance.)

Council-owned RV parks have amenities including toilet dump points, fresh water, and convenient access to local facilities. The Coonalpyn Soldiers Memorial Caravan Park is pet-friendly and great for keeping families entertained. You can find a nice, shady spot next to the Bremer River at the Frank Potts Reserve, located in the heart of the Langhorne Creek Wine Region. Check page 38 for a full list of RV-friendly facilities.

Caravan parks

Whether you need powered or unpowered sites, the region's well-appointed caravan parks are ready to extend a welcome.

Murray Bridge has three caravan parks throughout the town. If river access and boat ramps are on your checklist, try the **Avoca Dell Caravan Park** or **Murray Bridge Marina Camping and Caravan Park**. Not bringing the kids? On the edge of town, the **Murray Bridge Tourist Park** has architecturally designed cabins.

River Shack Rentals, Caurnamont

The **BIG4 Breeze Holiday Park** in the heart of Mannum has a mix of riverfront sites, villas and cabins; it also offers kayak hire and tennis court.

The **Waterfront Holiday Park** at Tailem Bend has fabulous views of the river thanks to its elevated position. It has a range of cabin styles, (including three-bedroom villas with spas) as well as barbecue, boat ramp and camp kitchen. The **BIG4 The Bend Holiday Park** has sophisticated amenities and facilities including an outdoor heated pool, basketball court, playground, jumping pillow and mini golf course – all within walking distance of the world-class motorsport park.

Meningie's **Lake Albert Caravan Park** has extraordinary lakefront views with a friendly, country atmosphere. Over in the Mallee, **Karoonda Tourist Park** has eco cabins.

Other parks include the **Clayton Bay Riverside Holiday Park**, **Discovery Parks Goolwa**, **Pinnaroo Caravan Park** and the **River's Edge Caravan Park** in Tailem Bend.

Waterside retreats

Think personal jetty, lush lawns, outdoor kitchen and spacious decking – it's all standard kit in a riverfront or a lakefront holiday home. These staples of the region come in all shapes and sizes, from renovated traditional shacks to upscale purpose-built holiday homes.

River Shack Rentals offers the widest selection of retreats in and around Swan Reach, Mannum, Murray Bridge and Wellington, with many options in between. This local team will help you find the perfect option to suit your taste, group size and budget.

Nearing the end of the Murray at Goolwa, you'll find a riverfront esplanade and marina lined with beautiful holiday homes overlooking the Hindmarsh Island Bridge and the barrage. **Coorong Cabins** and **Coorong Waterfront Retreat** are excellent options for those who wish to upgrade their experience at the Coorong National Park. **Coorong Island Retreat** offers a lovely escape on Lake Albert.

Ark-imesdes, White Sands

For something a bit different, you might want to try the luxury glamping' tents at **Reedy Creek Retreat** near Mannum. The KipPods from **Coorong.Life** are tiny homes on the edge of the Coorong – the perfect antidote to our digital world.

Houseboats

It's our region's most famous style of accommodation! With nothing more than a driver's licence (and a little instruction) you'll be cruising the Murray at your leisure.

So, what's your style? Small and simple? Or floating palace complete with on-deck Jacuzzi? Check out **Unforgettable Houseboats** and the **Houseboat Hirers Association** – you'll find a range of boat styles to suit your group and your budget.

Alternatively, you might prefer a floating home. Try **Cristal** (Murray Bridge), **Bill's Boathouse**, **Ark-imesdes** and **The Floathouse** – you'll be lulled by the sound of water on the hull and spoilt by more than a little luxury... **Hex'd** and **The Welcome Swallow Boathouse** are impossibly cute. (Both in White Sands.)

Hotels and motels

Enjoy the lap of luxury at **Shell V-Power Motorsport Park**, where the four-star **Rydges Pit Lane** suites afford views of the famous track. When you wake, you'll enjoy a chef-prepared breakfast – the ideal fuel before jumping into a pulse-racing track experience of your own...

The **Bridgeport Hotel** made waves when it opened in Murray Bridge. The riverside four-star hotel has a full complement of dining options (the Rivergum Restaurant is very good), rooftop pool, gaming and bars.

If you're looking for comfort and convenience, you should check out the **Mannum Motel**, **The Pretoria Hotel** (Mannum), **Motel Riverbend** (Tailem Bend), **Motel on Becker** (Tintinara), **Wellington Private Marina**, **Lake Albert Motel** and **Swan Reach Hotel**.

Towns

HEADING FROM THE
NORTH OF THE REGION
TO THE SOUTH...

Coorong coast, Coorong National Park

PS Marion, Mannum

Swan Reach

Grab a bite to eat at the Swan Reach Hotel. Stay a night to see the breathtaking River Murray International Dark Sky Reserve, the first of its kind in Australia. For a culturally enriching experience, book a guided tour of the Ngaut Ngaut Conversation Park, located between Swan Reach and Nildottie; the traditional owners will teach you about the history and stories of the Nganguraku people.

Karoonda

Don't miss the award-winning silo art at Karoonda. This dramatic installation – complete with a night-time illumination show – has brought this Mallee town global attention. There's also a great new space-themed playground (complete with a 'moon rover') if you have little ones. The story of Karoonda is on display at Pioneer Park.

Bowhill

Watch waterskiers showing off their moves as the local paddlewheelers cruise past... Bowhill is popular with boaties (it has

ramp access and wharf) and birdwatchers, who enjoy the Lowan Conservation Park.

Mannum

Mannum is one of the larger towns along the Murray. It's home to a lot of river history which is well-shared at the Mannum Dock Discovery Centre; the hands-on displays are a hit with kids – a chance for them to steer a ship's wheel, blow whistles and talk through brass funnels. The town is home to *PS Marion* and *PW Mayflower*, two beautifully restored vessels that invoke a bygone era.

There are plenty of places to eat and drink in the main street, including the Pretoria Hotel, loved by boaties who can tie up close to the pub lawns... If you like to hike, seek out nearby Mannum Waterfalls; this popular bushwalk follows Reedy Creek right up to the falls.

The dual ferry crossing at Mannum is a great way to view the river – and it's free.

Murray Bridge

Driving south from Mannum will land you in Murray Bridge. A quick walk into the town will see you among shops and cafés.

There's a boat-load of local history at the restored Round House, overlooking the twin bridges and offering a 180-degree panoramic view of the river; take a history tour (bookings essential) or wander around the gardens by yourself – it's open to the public. Stroll down to Sturt Reserve where you'll pass the rowing club, grass tennis courts, waterfront café, iconic views and the 'dreaded' bunyip. Keep following the tracks through wetlands to Long Island Reserve or visit the Swanport Wetlands for boardwalks and bird-viewing hides.

Time to make an essential side-trip: a short drive up the freeway will have you at Monarto Safari Park, an open plains park with one of the nation's finest – and most important – collections of non-native animals. There's a fantastic menu of experiences including the thrilling 360 encounter with lions and a VIP up close tour with the new elephants.

Tailem Bend

Tailem Bend is the perfect place to base yourself and explore the entire region; it's not only on a beautiful stretch of river, it's also centrally located between the lakes,

Point Malcolm, Narrung

wine region, Coorong and mallee country. Tailem Bend has put itself on the map with its world-class Shell V-Power Motorsport Park. The race circuit, rallying track, offroad track, 4WD adventure park, drag strip, karting course and menu of 'hot lap' experiences adds up to a huge adrenalin-fuelled day! There's also a bar and restaurant, and a museum of race cars.

Be sure to check out Tailem Bend, home to Old Tailem Town (an extraordinary recreation of yesteryear) and a railway museum at the Tailem Info Station. The town itself is very welcoming, with a good collection of cafés and shops, and a terrific park with steam engines.

Close to Tailem Bend is Wellington East and the Pangarinda Botanic Garden – a must-see for lovers of native flowers.

Meningie and Raukkan

The town of Meningie overlooks magnificent Lake Albert. Stroll the lake foreshore along the Pelican Path which has interpretive signage; there's a waterfront playground and barbecue area. Keep an eye out for the statue of the 'Birdman of the Coorong' – the bushranger who rode an ostrich. And be sure to call into any of the local cafés to try the famous Coorong Mullet!

The Meningie Cheese Factory Museum provides a good insight into the area and its history, offering a multitude of both historical and present-day artefacts. It also has a lovely restaurant. Also seek out the historic Chambers building, now home to Coorong Cottage Industries and showcasing a selection of arts, crafts and home baked produce.

The Raukkan Aboriginal community is a beautiful spot to visit. It was home to famed Ngarrindjeri man, the inventor David Unaipon, who was featured on the \$50 note. Take in Coorong views on the new walking trail or spend time on the nature playground.

Ngarkat Conservation Park, Pinnaroo

Langhorne Creek

If you choose to cross the ferry at Wellington, you'll be driving along the edge of Lake Alexandrina towards the Langhorne Creek Wine Region. It's home to nine cellar doors including famous names like Kimbolton, Bremerton and Bleasdale.

Goolwa

If you're following the river, your trip will finish in Goolwa, home of the Murray Mouth. This interesting and historic town fronts both the river and the Southern Ocean. There's a powerful mix of river and rail history which links the town to Victor Harbor, from where Australia's wool and wheat exports went all over the world. Enjoy the colourful main street, the Goolwa Wharf beside the bridge, the town's lively restaurant and cafe scene and the community markets which take place on the first and third Sunday of every month. Don't forget to check out the Murray Mouth, arrived at by a drive over the bridge to Hindmarsh Island.

Pinnaroo and Lameroo

These two charming Mallee towns are the perfect stopping point before the Victorian border. Their town centres have been developed with new playgrounds, pump tracks, picnic areas and more. If you love history, stop at the Mallee Tourist and Heritage Centre for its huge displays relating to agriculture and life in the region. For those seeking adventure (and love a 4WD challenge) grab yourself a coffee from Frankie & Tobe Coffee Bar and head to Ngarkat Conservation Park where you can drive the famed border track.

Enjoy South Australia's regions – but don't bring a pest with you

Welcome to South Australia, where you can savour our quality wine, food and other delights.

We take zero chances when it comes to fruit fly. To protect our delicious produce, fines apply for bringing restricted fruit and fruiting vegetables across the border.

If you're planning a trip to the Riverland, buy local and support our growers. Do not bring any fresh fruit or fruiting vegetables into the region unless you have an itemised receipt from a South Australian retail outlet showing it was purchased from outside a current fruit fly outbreak or suspension area.

To find out more visit pir.sa.gov.au/fruitfly

Keep our vines and wines safe

South Australia has some of the oldest winegrape vines in the world. Your shoes and clothing can pick up and spread pests and diseases, including phylloxera. Please don't walk amongst our vines. Help protect the vines that make our special wines. For more information about vineyard biosecurity, visit vinehealth.com.au
